STEP BY STEP GUIDE FOR 2025/2026 ONLINE POST-UTME SCREENING

This is to inform you that the Post-UTME screening for 2025/2026 Academic Session shall be conducted online starting from **00:00hr, Friday, 11th July 2025** using our Computer-Based Screening Platform.

Note that the online platform is quite simple and user-friendly but only ***UTME Candidates*** who have paid for the admission form online and completed their Online Application Form shall be granted access to the Post-UTME Screening Platform. This implies that Direct Entry and inter University Transfer Candidates are exempted from this examination as the documents uploaded on their application portal shall be used to access them.

If you have paid and filled your application form manually, kindly scan the already filled-in form and send it via email to postutmescreeningtest@abuad.edu.ng This must include your proof of payment, valid email address and valid phone number. Without this, you shall not have access to the online screening platform.

If you have not started the application process, click on [https://admissions.abuad.edu.ng/docs/step by step guide adm.pdf](https://admissions.abuad.edu.ng/docs/step%20by%20step%20guide%20adm.pdf) to view guidelines for Online Application process.

BEFORE YOU START.

You are advised to **review all the information provided** on your application portal and make corrections where necessary (Most especially, your UTME details, Date of Birth etc) before commencing your examination. All your details must tally with that of JAMB hence, any wrong details provided could amount to disqualification. **Kindly pay attention to your NAME, DATE OF BIRTH, UTME REGISTRATION NO and SUBJECT COMBINATION.**

You can make corrections using the following guide.

- Log in to your portal using the link: <https://admissions.abuad.edu.ng/under/ApplicantLogin>
- Go to UTME details (or section where correction is needed) to edit the information provided. Since you applied as a Fresh Undergraduate (UTME Candidate), your JAMB registration should start with 2024 followed by eight digits and two letters.
- Click NEXT to save the correction.
- Go to Upload passport and CLICK SUBMIT.
- Click PRINT to preview all info provided.
- If there are further corrections to be made, repeat i-v above.
